ARMINERA SUMMIT 2025

14 panels led by governors and ambassadors from mining countries; plus presentations by specialists in AI applied to the industry and sustainability standards.

EU - EUROPEAN UNION TRADE MISSION

A direct dialogue between key players in the European financial ecosystem and representatives of Argentine projects linked to the energy transition.

SUPPLIER DEVELOPMENT ROUNDTABLE

With over 3,700 meetings, this activity doubled the encounters from the previous edition, always with the same objective: to boost the integration of the value chain.

CAMMA EVENT - AMERICAS MINING AND SUSTAINABILITY FORUM

Organized by IGF Forum, IDB, and CAMMA, mining authorities from the Americas discussed the sustainable supply of metals and minerals linked to exploration and extraction.

IDEA-CAEM EXPERIENCE

Business opportunities and challenges in the sector were analyzed, focusing on updating regulatory policies, technological innovation, and attracting investments.

TRAINING AND EMPLOYMENT

WIM Argentina and Poliarquía Consultores presented the results of the national survey "Challenges and Educational and Labor Needs in the Mining Sector."

IADEM CONGRESS

The IV International Congress of the Argentine Institute of Mining Law focused on: mining contracts, promotion regimes, and Argentina's great moment for investment.

CONFERENCES AND EXHIBITION

The agenda also included: Exhibitor Conferences, product and service exhibition, and the Machinery Plaza, where large machinery was displayed in an open-air space.
