The XII International Trade Fair for the Mining Industry, Arminera 2019, organized by the Argentine Chamber of Mining Companies (CAEM) and Messe Frankfurt Argentina, was declared of national interest by the Argentine Government.

In the exhibition, the most recent developments in technology and services related to prospecting, exploration, development and drilling and blasting of different metals and minerals, and environment protection will be presented.

Arminera is the ideal scenario for mining industry companies to exhibit their products, services and technologies, thus increasing the opportunities to do new business both at national and international level. There will also be training and updating programs regarding interest subjects for the sector, gathering the main national and international specialists, companies and organizations related to the mining industry.

Arminera will be carried out on May 7-9, 2019 in Costa Salguero Center of Buenos Aires.

The exhibition is only for businessmen and professionals of the sector. With an invitation: free of charge. People under 16 years will not be admitted, even if attending with an adult.

purpose of strengthening and streamlining the potential of the mining industry. CAEM represents its members before the country's authorities and abroad, as well as before individuals and private companies, promotes congresses, conferences, seminars, exhibitions, events and publications and encourages the exchange with public institutions and private organizations connected to mining activities, locally and abroad.

The Argentine Chamber of Mining Companies (CAEM) gathers all of the mining activities. It represents - in every production stage – those companies dedicated to metalliferous and non-metalliferous mining and construction materials. It also gathers the Exploration Chambers, the provincial Chambers of the industry and suppliers: from machinery manufacturers to consumer goods and services companies, as well as technical, legal and financial advisors..
